

**Quick Message from Rev. Joyce 11/25/20**

---

**ADVENT WREATH and CANDLES**

**As many of you know, we begin the liturgical season of Advent in the church with the lighting of a candle to represent each of the four weeks before Christmas.**

**YOU ARE INVITED to share the experience of lighting Advent candles in your home simultaneous with our Zoom service recording on SATURDAY, NOVEMBER 28 AT 5:00 p.m. It will take place at the beginning of the Zoom service.**

**Don't fret if you don't have a wreath, a simple candle will do or simply watch. A prayer will be read during the candle lighting.**

**Advent Blessings!!!**

**The Rev. Joyce Caggiano**
