Fellow Parishioners

We hope everyone survived last Friday's snowstorm. Personally, I think it petered out earlier than expected. But I still had to clean off my car before leaving for work on Saturday.

This past week saw some good activity at the Mommy and Me Star Path Montessori Collective open house. The basement looks completely transformed with child size furniture and new paint. This is a program we all very much want to see become a success.

Last week we also received a call from the local Boy Scout troop asking to use our parish hall for a civics event. Their guest speaker will be one of the new Boston city counselors, Kendra Lara. This sounds very much like something I would like to sit in on!

Requests to use Emmanuel's facilities are increasing, particularly for child centered uses. We have not been able to tap into this in the past but would very much like to. We'll be posting photos of our parish life at Emmanuel as well as events held in our space. Look for these in our future newsletters and on our website and Facebook site. Join us on Sundays for services and follow our updates online.

We enter into Lent on March 2, 2022. This marks the 40-day period of fending off temptation prior to Easter. This year Emmanuel did not hold an Ash Wed service. We hope that those who wished to celebrate the Service of Ashes were able to make other arrangements.

We have attached a few pictures of the Me Star Path Montessori Collective open house. Keep checking our website and FB site for more updates. Thank you all and we look forward to seeing you all soon.
